Cantley House Hotel

The setting at the opening out of a long, classic tree lined drive is a special one for every occasion. No less so for the celebration of the life of someone close, where our experience, attention and indeed our promise will be to make a difficult time simple and comfortable for you.

We have several rooms appropriate for the reception following a funeral, where we can comfortably accommodate personal parties of 8 or 9 friends, as well as larger gatherings of 100 or more. The hotel offers beautiful gardens and secluded courtyards; guests can spill into the gardens on a warm afternoon, or intimate, cosy rooms warmed by the open fires in the winter.

Whether you wish to offer a cup of tea and scones or a three course meal we would be happy to discuss all options and guide you through the arrangements.
